Understand the terms used in this form

Administrative expense: Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing the bankruptcy estate.
11 U.S.C. § 503.

Claim: A creditor’s right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy.
11 U.S.C. § 101 (5). A claim may be secured or unsecured.

Claim Pursuant to 11 U.S.C. §503(b)(9): A claim arising from the value of any goods received by the Debtor within 20 days before the date of commencement of the above case, in which the goods have been sold to the Debtor in the ordinary course of the Debtor's business. Attach documentation supporting such claim.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

Debtor: A person, corporation, or other entity who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. § 101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

Secured claim under 11 U.S.C. §506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.

Recent court decisions not applicable here. Ridgewood will make the Unit Agreement available upon request of the Court or a party in interest following written notice to the Debtor and, in the case of a party in interest, entry into an appropriate non-disclosure agreement.

6. The Unit Agreement also outlined the parties agreement to several liability limited in proportion to each party's participating interest share for all obligations and liabilities set forth in and assumed by the Unit Agreement, including without limitation all costs, obligations, and liabilities relating to the exploration, appraisal, development, and operation of the Leases and the appraisal, development, operation, plugging, or abandonment of any wells drilled, developed, or operated on the Leases.

7. The parties designated the Debtor as the "Operator" of the Unit Area consistent with the terms of the Unit Agreement. Consistent with this designation, each of Ridgewood and ILX Prospect are designated as a "Non-Operating Party" under the Unit Agreement. The Department of the Interior's Bureau of Safety and Environmental Enforcement approved the designation of the Debtor as Operator on July 31, 2018 in Contract No. 754318002 (the "Department Approval"), which is attached to Proof of Claim No. 661 as **Exhibit 3** and incorporated herein by reference.

2. *Treatment of Costs Under Unit Agreement*

8. Under the Unit Agreement, the Operator is responsible for paying the monetary amount of all expenditures (or indebtedness), including any fines or penalties (except to the extent such fines or penalties are attributable to a party's gross negligence or willful misconduct) (the "Costs") incurred by the Operator and any Participating Party² in the conduct of activities or operations contemplated by, approved in, or determined under the Unit Agreement. Each Participating Party is then responsible for reimbursing the Operator in proportion to its participating interest share for the Costs of these activities and operations. The payment and

² A Participating Party is defined in the Unit Agreement as a party who, having the contractual right to do so, participates in the sharing of (a) the Costs, risks, and benefits (including rights to Hydrocarbons) of an approved activity or operation under the Unit Agreement; or (b) if applicable, the interests to be assigned to the parties.

reimbursement obligations of each of the Operator and Participating Parties are accomplished through the maintenance of and charging to a joint account (the “Joint Account”).

9. In sum, the Operator will bill the Non-Operating Parties on or before the last day of the month for their proportionate share of the Joint Account Costs for the preceding month. Adjustments will then be made against this amount for any advances received or Costs paid by the Non-Operating Party or for any amounts otherwise owed by the Operator to the Non-Operating Party that relate to a producing well, with the net cash out balance either owed by the Operator to one or each of the Non-Operating Parties or vice versa. Invoices relating to “cash outs” are generated on a platform-by-platform basis with payment then owed by either the Operator or Non-Operating Party, as applicable, within thirty (30) days of receipt of the invoice.

10. In addition to the billing measures discussed above, Project Team³ costs incurred by a Non-Operating Party will be billed to the Operator on a monthly basis. The Operator shall then reimburse the Non-Operating Party for its participating interest share of the costs incurred within thirty (30) days in accordance with the provisions of Exhibit C to the Unit Agreement.

3. *Treatment of Liens Under Unit Agreement*

11. The Unit Agreement requires the Operator to keep the Leases, production systems, facilities, other equipment purchased under the Unit Agreement, and the Hydrocarbons free from liens and encumbrances that might arise by reason of the activities or operations conducted in connection with the Unit Agreement. If a lien is placed on the Leases, production systems, facilities, other equipment purchased under the Unit Agreement, or any Hydrocarbons, the Operator is required to make reasonable efforts to remove the lien.

³ Exhibit C to the Unit Agreement defines “Project Team” as the “employees of the [p]arties directly assigned to perform work and/or studies as defined under the terms of the [Unit] Agreement.”

12. If the Operator fails to remove the lien as required by the Unit Agreement, the expenses of handling, investigating, settling litigation or claims, paying, or otherwise discharging such liens, including, but not limited to, any defense costs relating to the Prospect Lawsuit (as defined below) or any other defense costs relating to any litigation from the lien claims or any judgments or settlement awards arising from or relating thereto, will be charged to the joint account or, if paid by either of Ridgewood or ILX Prospect, reimbursable from the Operator. The Debtor has admitted that under the Unit Agreement it must fully indemnify Ridgewood and/or ILX Prospect for any amounts paid by Ridgewood or ILX Prospect in removing the liens.⁴

4. *Payment of Interest, Fees, and Expenses Under Unit Agreement*

13. The unpaid balance of an invoice issued for costs under the Unit Agreement or for reimbursements due as a result of actions taken by Ridgewood or ILX Prospect relating to a lien shall bear interest compounded monthly using the lesser of either (a) the prime rate in effect at Chase Manhattan Bank plus 3%; or (b) the maximum contract rate permitted by the applicable usury laws in the jurisdiction in which the Lease is located. Interest shall begin to accrue on the first day of the month in which the payment was due. In addition, the party seeking payment is also entitled to attorney's fees, court costs, and any other costs or expenses generated in connection with or relating to the collection of unpaid invoiced or reimbursable amounts.

5. *Secured Nature of Unit Agreement Obligations*

14. Exhibit F to the Unit Agreement contains a grant by the Debtor to Ridgewood and ILX Prospect of a mortgage, hypothecate, and pledge of and over all of the Debtor's rights, titles, and interests in and to (a) the Leases; (b) the oil and gas in, on, under, and that may be produced

from the Unit Area; and (c) all other immovable property or other property susceptible of mortgage situated within the Unit Area (the “Mortgage”).

15. This Mortgage was given by the Debtor to Ridgewood and ILX Prospect to secure the complete and timely performance of and payment by the Debtor of all obligations and indebtedness, of every kind and nature whether now owed or hereafter arising, arising from or related to the Unit Agreement, including but not limited to, all costs and other expenses properly charged by the Debtor, together with (a) interest on such indebtedness, costs, and other expenses at the rate set forth in the Unit Agreement; (b) reasonable attorneys’ fees; (c) court costs; and (d) other directly related collection costs. Under the Unit Agreement, the Mortgage is deemed to secure the obligations and indebtedness of the Debtor to Ridgewood and ILX Prospect in a maximum aggregate amount of \$500,000,000.00, together with interest thereon.

16. Ridgewood properly recorded the Mortgage in the real property records of the applicable parishes and counties, including as follows: (a) the Jefferson Parish, Louisiana Clerk of Court at Instrument Number 12014723; (b) the Terrebonne Parish, Louisiana Clerk of Court at File Number 1600731; (c) the Baldwin County, Alabama Clerk of Court at Instrument Number 1818927; and the Plaquemines Parish, Louisiana Clerk of Court at File Number 2020-00001048. Each of these records were then filed with the Department of Interior, Bureau of Ocean Management. *See* Letter to United States Department of Interior–BOEM Regarding Non-Required Filing – Memorandum of Unit Operating Agreement (the “Mortgage Letter”), attached to Proof of Claim No. 661 as **Exhibit 4** and incorporated herein by reference.

17. As a result of Ridgewood’s properly recorded Mortgage, any claim Ridgewood asserts relating to the Unit Agreement is fully secured.

C. Debtor's Bankruptcy Filing

18. On August 3 and August 4, 2020 (the "Petition Date") the Debtor, along with thirteen (13) of its affiliates, filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code").

19. At the time of filing, the Debtor owed Ridgewood \$20,046,112.78, plus pre- and post-petition interest, attorneys' fees, costs, and expenses. Ridgewood also holds a contingent claim against the Debtor in an unliquidated amount for any future obligations or indemnity liability that may arise under the Unit Agreement or by operation of law.

DESCRIPTION OF AMOUNTS OWED

A. Costs Owed Under Unit Agreement

1. Project Team Invoices

20. As noted in the Project Team invoices, which are attached to Proof of Claim No. 661 as **Exhibit 5** and incorporated herein by reference, Bruce Crager is a member of the Katmai prospect Integrated Project Team. In this role Mr. Crager billed Ridgewood and ILX Prospect for certain costs relating to the services provided in May, June, July, August, and September 2020. These Project Team costs were incurred by Ridgewood and by ILX Prospect, as the Non-Operating Parties, under the terms of the Unit Agreement and the November 1, 2018 letter regarding the Project Team issued in connection thereto. Consistent with the Unit Agreement, Ridgewood has invoiced the Debtor, as Operator, for reimbursement equal to the Debtor's participating interest share.

21. The Project Team invoices are dated for July 24, 2020 (the "July Invoice") and October 14, 2020 (the "October Invoice"). Thus, under the terms of the Unit Agreement, such

invoices were to be paid by August 23, 2020 and November 13, 2020, respectively. No payments on the Project Team invoices were received.

22. Ridgewood is entitled to pre- and post-petition interest on the amounts due under the Project Team invoices, which interest shall begin to accrue in the case of the July Invoice on August 1, 2020 and in the case of the October Invoice on November 1, 2020. Ridgewood is also entitled to attorneys' fees, court costs, and any expenses incurred in connection with its collection of the Project Team invoices. Ridgewood reserves all rights to update its Amended Proof of Claim to itemize these amounts in the future.

2. *Cash Out Amounts*

23. Consistent with the Unit Agreement, Ridgewood and the Debtor historically net out the relevant costs, expenses, and payments for each platform on a monthly basis. The invoices relating to those cash out amounts are in the Debtor's possession and can be provided upon request.

24. Pursuant to the cash out invoices, the Debtor owes Ridgewood \$470.98 relating to the August 2020 invoice for the Dantzler platform and \$4,835.47 for the June and July 2020 invoices for the Katmai platform. The Debtor was required to remit payment on each of these invoices within thirty (30) days of invoice receipt. Ridgewood is entitled to pre- and post-petition interest on the amounts due under the cash out invoices, which interest shall begin to accrue on the first day of the month that the invoice was due. Ridgewood is also entitled to attorneys' fees, court costs, and any expenses incurred in connection with its collection of the cash out invoices. Ridgewood reserves all rights to update its Amended Proof of Claim to itemize these amounts in the future.

B. Amounts Owed Relating to Filed Liens

25. Beginning in July 2020 and continuing through the present, various parties responsible for furnishing labor, equipment, machinery, materials, and related services in support of the development, exploration, maintenance, operation, and abandonment of oil and gas wells began to file Lien Affidavits, Notice of Claim of Lien, and Statements of Privilege in the real property records for the various parishes adjacent to the Leases (the “Lien Filings”). Each of these Lien Filings are made under the Louisiana Oil Well Lien Act and assert a secured claim for various services or equipment provided by the claimant to the Debtor prior to the petition date.

26. Further, Atlantic Maritime Services LLC has filed an in rem complaint against Ridgewood and ILX Prospect in the United States Eastern District of Louisiana and are seeking recognition and enforcement of their lien against the subject interests and a request for writ of sequestration against the subject interests. *See Atlantic Maritime Services, LLC v. Ridgewood Katmai, LLC and ILX Prospect Katmai, LLC*, Case No. 2:20-cv-03099 (JTM-JVM) at ECF No. 1, (E.D. La. Nov. 13, 2020) (the “Prospect Lawsuit”). The Debtor admitted that it is liable to Ridgewood on an indemnification basis for any costs paid by Ridgewood in connection with the filed liens and/or Prospect Lawsuit. *See Automatic Stay Motion ¶¶ 3, 26 and Ex. 1.*

27. Each of the amounts owed relating to each of these Lien Filings and the Prospect Lawsuit are set forth below.⁵

⁵ Subsea 7 (US) LLC (“Subsea 7”) filed a *Notice of Perfection of Statutory Lien and Statement of Privilege by Subsea 7 LLC Pursuant to 11 U.S.C. § 546(b)(2)* [Docket No. 329] (the “Lien”) on September 11, 2020. Since the date of the Lien filing, Subsea 7 has filed a cancellation of lien with the appropriate counties. The cancellation documents are attached hereto as **Exhibit 6**. Ridgewood reserves all rights to further amend this Amended Proof of Claim to add the Lien in the event the Court does not view the documents attached as **Exhibit 6** as sufficient to effectively withdraw the Lien filing at Docket No. 329.

28. Under the Unit Agreement, Ridgewood is entitled to reimbursement from the Debtor for all expenses of handling, investigating, settling litigation or claims, paying, or otherwise discharging such liens, including, but not limited to, any defense costs relating to the Prospect Lawsuit or any other defense costs relating to any litigation from the lien claims or any judgments or settlement awards arising from or relating thereto. These expenses shall accrue pre- and post-petition interest in accordance with the terms of the Unit Agreement.

⁶ Notice of Lien Filing is not itemized by lien. See Docket No. 546.

29. Ridgewood reserves all rights to update its Amended Proof of Claim to itemize the pre- and post-petition interest amounts, along with any attorneys' fees, court costs, or other expenses, in the future.

C. Contingent and Unliquidated Claim

30. As a result of the Unit Agreement, the Debtor may have obligations to Ridgewood relating to certain liabilities, losses, or indemnification obligations, which may include but are not limited to obligations attributable to environmental reclamation, restoration, remediation, operations, and/or regulatory requirements. Accordingly, Ridgewood may have claims against the Debtor arising from obligations relating to the Unit Agreement or any ancillary document related thereto. The total amount of Ridgewood's claims against the Debtor under the Unit Agreement have not yet been determined.

31. Additionally, the Debtor may be liable, pursuant to federal regulations, for any decommissioning obligations that accrue during the period of its operating rights interest ownership, *i.e.*, from April 1, 2018 to and continuing through the present. To the extent any of these decommissioning obligations are charged to Ridgewood, Ridgewood will hold a claim against the Debtor relating to the liabilities charged.

32. Finally, the Debtor may have obligations to Ridgewood under certain federal regulations or other applicable law, including but not limited to, environmental, reclamation, restoration, remediation, operational, and/or regulatory obligations or liabilities. The total amount of Ridgewood's claims against the Debtor relating to these contingent decommissioning liabilities or obligations arising under federal regulations and/or applicable law have not yet been determined
